SUB: CONGRATULATIONS ON YOUR SUCCESSFUL PROJECT DELIVERY

Dear Mr. Mamedov,

I would like to express my gratitude and congratulate you and your team on completing a seamless and error-free transition of background check host migration project successfully. The project was completed within stipulated time-frame and it was perfectly configured exactly according to our requirements.

The additional time and efforts that you and your team have put into this project have not gone unnoticed and the dedication of you and your team is greatly appreciated.

I would highly recommend your team in the areas of your expertise and wish you very best in all your current and future endeavors.

I look forward to continue working with you on more challenging and more rewarding projects.

Best regards,

Danish Thanvi
Group CEO
Background Check Group

P.S.

WORK PERFORMED:

- install and configure cPanel on CentOS 7
- make websites backups on old cPanel server
- transfer backups from old server to new server
- restore backups on new server
- configure IIS on windows server and transfer site to it
- Configure CentOS server to work with Bitrix24, restore Bitrix24 backup on new server.
